

## Commentator Committee

**Date:** June 20, 2017

**Chairperson:** None

**Committee Members:** Tisha Strasner (editor), Elizabeth Bailey, Mary Ann Minner, Aubrey Lacrosse

**Purpose:** (from the website) The Commentator Committee shall review the Curly Commentator finances, publication procedures, etc. with an eye toward deciding whether the CC should cut costs or try to increase revenue. Committee members are responsible for all costs of conducting the committee's business unless a majority of the CCRCA Board agrees to approve a budget for said committee.

**Progress:** The Committee has been able to focus on themed based issues of the Commentator and it has gone very well. Each individual theme has been well received and provides a large amount of information for Members. Club Business also continues to be included and it is hoped that members read the minutes to all the Board Meetings

**Plans:** Continuation of the theme based publications

**Budget Request:** \$300 to cover the cost of printing copies for the few members who cannot access the electronic version.

Respectfully submitted on behalf of the Commentator Committee.
