

2017 CCRCA Versatility Challenge  
CCRCA National Specialty July 8<sup>th</sup> through July 13<sup>th</sup>

Purpose: To honor and encourage those CCRCA Club Members whose Curlies successfully compete in multiple venues (Field, Performance & Conformation) during the CCRCA National Specialty events.

Specifics: Versatility will be shown by earning a Qualifying pass in a Field event (WC's, UWC or Hunt test), earning a qualifying score in a Performance event (Agility/Rally/Obedience), and also earning a Ribbon or by "making the cut" in a conformation event. (Sweeps, Regular and Non Regular Classes). A ribbon and certificate will be awarded at the conclusion of the National events for all Curlies meeting these qualifications.

The Versatility Challenge award will be offered to Curlies owned by Club members. Dogs may be handled in any of the events by anyone, including non club members. Curlies owned by non members are not eligible, even if handled by a member.

Owners will fill out the Versatility Challenge form & submit it to the Versatility Challenge Chair by June 28<sup>th</sup>. The form will include all pertinent information regarding the dogs name and owners. Ownership must be proved by providing a copy of the current registration papers. The Owner must be a current member in good standing with the CCRCA during the time the National Specialty takes place. The form will also have all the classes listed that the dog is entered in that would qualify the dog for the Versatility award.

Two levels of Versatility will be honored.

Point values will be assessed to each qualifying score or ribbon earned. Points are cumulative. The more ribbons/qualifying scores earned, the more points you accumulate. An individual dog/bitch must qualify in each of three categories at the same National Specialty.
