

CCRCA Camping at the 2023 Specialty

As in Years past the Campground at Sampson State Park is controlled by the show cluster and is not available for show campers until Monday morning September 25th.

All information regarding camping at Sampson State Park is in the premium attached below

For those planning on arriving Sunday to watch or participate in the UWC and UWCX we suggest you stay at Rivers Crossing Campground (11 minutes from the field site) Sunday night and possibly Monday night and Tuesday night for the balance of field activities - <https://www.rccampground.com> then move to Sampson as time permits. There is also an option to Dry Camp at the field site. Let Bob know if you are interested in that option.

Bob Thompson (rctdad@gmail.com) is coordinating Curly group camping at Sampson State Park.
PLEASE READ CAREFULLY.

As a Group, to be eligible for an Electric site, we must submit all the individual forms and checks together, and they must all be for all 4 nights (Sept 27,28,29 and 30). Your camping fee will be \$180 total for those 4 nights. If you leave early, you will not receive a refund.

Once we have sites assigned for the 4 nights, the right to those sites is yours from the night of Sept 25th to the morning of Oct 4nd. You do not have to tell in advance if you will be arriving before the 27th or after the 30th. You will tell the Park office when you check in which of the other dates you are staying for. You will have to pay the park for any days you are there before or beyond the 4 nights being reserved with the forms. That will be done with **CASH** at Check-in time per the premium.

Your form and your check must arrive **by August 5th** to:
Bob Thompson
11106 Siedschlag Rd
Spring Grove, IL 60081

Any Forms without checks and any forms received after the 5th will not go in the group envelope to arrive by the required date and may not be included in the group assignments.

For those people who do not want to book for the 4 nights or those who would like to stay elsewhere in the park, read the premium and submit as individuals.

Camping Information for 2023

New Information

No reservations will be accepted if received before Tuesday, August 8, 2023 with a post mark prior to Monday, August 7, 2023. Reservations must be sent with the "No Signature required" waiver. Please use internet tracking instead.

The Campground loops contains 243 sites with electric hookups. One camper per site. The overflow areas have 255 spaces, with no hookups. These camp sites are closer to the show site. No sites have water hookups but water is available at several places through the park.

Reservations accepted by mail until Wednesday, September 20th. After this time you may call the camping coordinator (Mona) at 607-738-6487.

Each site will only be allowed two extra motorized vehicles. One motorhome and two vehicles or if trailer, 2 vehicles included in camping fee. All other vehicles are \$6.00 per vehicle per night and must register with park upon arrival.

Parties assigned electric sites will be charged \$180 for four nights. Overflow sites will be charged \$128 for four nights. If you pay for electric sites but instead receive a non electric site, you will receive a refund when checking in. **Anyone not staying all four nights will receive a non electric site.** All payments must be in US funds.

Generator use hours are 6:00 AM to 11:00 PM. This is enforced by the park.

Handicap sites are limited. Handicap Certificate is required.. There are NO handicap parking spaces for motorhomes on show site. Handicap parking for cars only. Once the handicap sites are gone, there are no other sites guaranteed so reserve as soon as allowed.

All campers not making reservations prior to the closing date will pay at the park on a cash only basis and any extra days other than Wednesday through Saturday night are paid directly to the park..

No Buses in 2023

"Height restriction for Underpass". The underpass on Route 96A, just north of the park has a height restriction of 12 foot 11 inches.

Due to the presence of wildlife rabies in this area, all campers must show a valid rabies certificate for each dog brought into the park. These will be checked at the park office when checking in. No dog will be allowed to stay in the park without a current certificate. Dogs must be kept on a leash in the park and no dog is to be left unattended in exercise pens.

Sampson State Park

is a picturesque 1852 acre park with four miles of spectacular shoreline on beautiful Seneca Lake. The park has developed 245 spacious camp sites with electrical hookups, (water available at several locations) has modern bathhouses adjacent to all sites, picnic tables and fireplaces, and hundreds of acres of lawn. The park also has a modern marina with 126 berths, boat launching facilities, swimming beaches, playgrounds and playing fields, concession stands as well as pay phones and trailer dumping stations. Sampson State Park is only one of many parks under the jurisdiction of The Finger Lakes State Park Region, which now is the official site of the "Wine Country Circuit".

Wineries

New York State has achieved world-wide status as a great wine producing area. Sampson State Park is located in the heart of the states grape growing region. Over 100 wineries and breweries attract over 350,000 visitors every year. Brochures from these wineries will be available to our dog show participants who may enjoy the chance to visit some of our excellent wineries and sample some of New York States finest wines.
