Any Curly owned by a CCRCA Club Member is eligible. Either a member or non-member may handle the dog in any event.

Versatility Challenge:

Enter and earn a ribbon in a Field event, a Conformation event and also a Performance event to complete the Challenge. We will no longer be doing two levels or a point system.

Rosettes will be awarded in person on the 6th. In order to save money we hope to hand deliver them. It will be your responsibility to find Aubrey and get your Rosette.

A summary of the dogs achievements and a photo of the dog with the ribbon will be published in the Commentator. Please take a photo of your dog with the ribbon and e-mail it ASAP to Aubrey.

Other Details:

Eligible Conformation Entries

-Any Regular, Non Regular or Sweepstakes Class placement counts.

If you have a Spayed/Neutered curly or a curly with a disqualifying fault, you can still enter the Versatility Class. This class is made specifically for dogs that do not fit in any of the other classes.

Entries in the Versatility Class are NOT eligible for Best of Breed or any Champion or Grand Champion points. You do not need to be entered in the Versatility class while attempting the versatility challenge.

-Brace counts for both curlies.

-Brood Bitch and Stud Dog counts only for the Stud or Brood Bitch, they need to be entered in something else in order to get their Conformation placement.

-Making the final cut in the National BOB also counts. This can be confusing as each judge does things differently, so it really depends on the day, what happens.

Performance Details

-Trying to keep track of all of the Performance passes will be difficult. With multiple events going on at once and in different places I will need your help to show me your Performance passes. Please come and find me to get your Ribbon.

-FastCAT, Because this is so simple and easy you are required to do 2 runs and earn 2 ribbons.

-Only Performance events on Friday the 5th and Saturday the 6th are going to count. The CCRCA is supporting some of the performance entries.
